I will request a copy of the \$ 240.00 check processed against **09849582** from the bank and let you know when it arrives. Hopefully that will shed some light on the subject.

Doug,

The application, 09/849582, was filed 5/5/01 without a filing fee and the inventor is awaiting his "missing parts letter" to pay the fee.

However, the fee page shows an IDS/fee from 2/2000.

Can you investigate this or advise me on what steps to take to have this corrected.
